## How **We** Can Help

### **Be Red Cross Ready**

Trained Red Cross volunteers present personal preparedness information for groups of 20 or more. Presentations are approximately 60 minutes. The *Be Red Cross Ready* presentation can be tailored to fit any adult audience.

### **ReadyRating.org**

This 30-45 minute website overview details how the American Red Cross free business preparedness website aids workplace safety committees in creating or updating their emergency action plans (EAP).

### **Hands-Only CPR**

Eliminate the barriers to act by learning life-saving skills and gaining confidence to act in an emergency. Interactive 30-minute presentation to groups of 20 or more can be added to any preparedness event.

### **Prepare with Pedro**

This half-hour interactive preparedness program is a storybook-based presentation tailored to students in kindergarten through 2nd grade. Students learn how to prepare their home along with Pedro the Penguin. Each student receives their own Prepare with Pedro storybook to share with their household. Presentation requires a minimum of 20 students.
